Sir,

With reference to your no. 745/240-93 dated the 29th july 1904, I have the honor to submit herewith a statement showing the amounts realized by the sale of the right of Collecting fees in the Weekly market of Chintamani for 5 years previous to 1902-03, as also the monthly Collections made by the contractor in 1901-02 and 1902-03 and to state that accounts for the previous years are not available as the contracts for those years had been taken up by other persons

2. Of the two contractors before the present

present contractor Venkataraddi, one
was Abdulla Sab who is now involved in
the Sunnakal murder case and the other
Abdul Rahiman who seems to have
handed over his contract subsequently
to Abdulla Sab Hence no information
is available for these years.

3. There is no means of checking the account of monthly collection kept by the contractors, as the right to collect the fees is knocked down at the beginning of each year to the highest bidder, — Consequently no agency is employed. There was no plague in the Chintamani Town till May 1903.

I have the honor to be
